

Cupola Access Window

Easier. Safer. Smarter Access.

Accessing your cupola just got a serious upgrade. Our Cupola Access Window is designed with both convenience and safety in mind—so getting into your cupola is no longer a hassle.

- Removable Slide-Out Window**
Effortlessly slides out of the cap for quick and easy access.
- Secure Thumb Screws**
Held in place by four thumb screws with lock nuts—no tools, no lost hardware.
- Superior Sealing**
Outfitted with premium sealant to keep water and pests out.
- Built-In Stiffeners**
Reinforced with frame-embedded stiffeners for added support and safer handling.

Whether you're doing maintenance, adding ventilation, or just want peace of mind, the Cupola Access Window is the upgrade your building deserves.
